Collection 2026

Switches & sockets, alabaster lighting and sanitary ware, designed in Dublin.

von.ie

Design and engineering, from Dublin.

VON Design & Engineering creates electrical and architectural products that combine technical performance with contemporary design. Every switch, socket and outlet is made in four matching finishes, our lighting is cut from natural alabaster, and our sanitary ware is designed to disappear into the wall.

36
switch & socket designs

Globe Wall B

Size: L300 mm

Copper + Alabaster, black/copper + white

SANITARY WARE

Tileable Flush Plate

A dual-flush plate for concealed cisterns that you finish with the same tile as the wall, so the flush almost disappears. It sits on magnetic fixings and lifts off for access to the cistern.

Size	260 x 180 x 40 mm
Flush	Dual flush, full and reduced
Fixing	Magnetic, front-mounted
Use	Concealed cisterns, wall-hung and back-to-wall toilets
Works with	Geberit Sigma, Delta, Omega, AlcaPlast, TECE, JomoTech, OLI, Viega, TOTO
In the box	Plate, magnetic mounting set, template, fittings
